Good Morning Denis,

Attached is an e-mail from Jack Dalrymple, that states one of the subcontractors (John Teague of DNT Environmental Services Inc.) has not paid for his rental of equipment secured through Mr. Dalrymple's company (\$3,176.17). I just spoke with Mr. Dalrymple and he plans to send the e-mails he has exchanged with DNT. Please investigate this matter and let me know of your findings. Thank you in advance for your assistance. Both of you have a pleasant day.

Hi Ursula And Janetta,

I haven't visited with either one of you in a very long time. I guess that means I have not had and problems to be solved. That is what you get for being problem solvers.

A sub contractor that works for Hill has been very delinquent paying my rental agency for equipment rented. Can you tell me the steps I need to take to recover from Hill.

Sorry I had to bring this to you but I have exhausted all other avenues.
